After completing the lesson, your child must complete the on-line lesson review. Go to [www.stthereseeparish.ws](http://www.stthereseeparish.ws). Select "Discipleship Formation" then "Home Study." Lesson review quizzes are

posted the week they are due. Be sure your child includes his/her FULL NAME on the quiz form, and hits "Submit" when done. **The online quizzes are used to track your child's attendance and participation in the program.**
