Criteria for Grant of Faith Formation Fund – Adult**

Applicants desiring a grant from the Faith Formation Fund must meet the following criteria:

- A. Be an active, registered parishioner at St Therese of Lisieux for at least one year.  
The definition of “active” parishioner is participating in 2 out of the 3 following:
  - a. Regular offertory collection
  - b. Catholic Services Appeal (CSA)
  - c. Volunteering time/talent to the parish
- B. Register for a class in theological subject matter.
- C. Participate in Classes, either at the college, at off-site locations, or on-line.
- D. Application due dates are April 15 and October 15
- E. Payment could be made prior to the start of the class, and be made directly to the requested School of attendance.  
Due to varying semesters vs. quarterly classes and the infrequent meeting of the FFF committee, prior payments will depend upon the timing of the applicant’s submission.
- F. Provide proof of successfully completing and passing the class.
- G. Expectation that the education gained will be used in helping the role of the Catholic Church.
- H. A separate application should be used for each course
