CONNECTING POINT

👤 Amy Righi, Music + Liturgy Director — St. Isidore ✉ amy@stisidore.church

In Matthew 21:33-43, the tenants are entrusted with the vineyard but fail miserably to be faithful with what the owner has given them. Instead of honoring the owner's instructions, they allow their greed to possess them, and they even murder their master's son.

Thankfully, most of us are not greedy enough to murder, but are we all generous with the gifts God has given us?

During this season of harvest, we often take inventory of our blessings. We take time to reflect

and thank God for what He has given us. God has entrusted each of us with unique gifts and talents. He calls us not to hide them under a bushel but to use them for His glory and the good of others. What better way to express our gratitude to God than to use our gifts to build

Connecting Point (cont'd)

👤 Amy Righi, Music + Liturgy Director — St. Isidore 📧 amy@stisidore.church

► How can I better use the gifts that God has entrusted to me?

His kingdom here on earth?!

Do you like to sing? Do you play an instrument? Consider joining one of the musical ensembles in our Family of Parishes. Do you have a clear speaking voice? Proclaim the Word of God as a lector. Do you like working with children? Think about helping with Discipleship Formation or other children's programming.

Even if you don't think you have any special or unique gifts, we all share the gift of time. Don't let the excuse of "I don't have enough time"

prevent you from stepping out of your comfort zone to help in one of the many volunteer opportunities in our parish communities and beyond. We can all choose to make time to do *something*.

You're likely already using your gifts, but we can all take inventory periodically and do more for Christ. Take time in prayer to ask God where you are needed, for the courage to step out, and to encourage others to share their gifts in service, as well. If we make Christ our priority, everything else will fall into place.

Still in Need of Help

Thank you to everyone who stepped forward! We have filled our volunteer positions for the grades 1-9 programs. However, we still need help with our Sunday morning programs. Preschool (Little Lambs) facilitators follow lesson plans to provide faith education for our youngest students, and Children's Church facilitators guide children in Grades 1-5 through the Sunday readings at either 9:45 or 11:45 AM Mass. You can determine your level of commitment! If you can only help once per month, we can make that work. We also work with "snowbirds." If you'll be in Florida in January and February, we could still use your help. For Children's Church (Liturgy of the Word) and Little Lambs (Sunday preschool), contact Susan at susand@stol.church or call 586-254-2944 Ext. 309.

► Understanding Dementia (Part 3):

👤 Marilyn Cito, Parish Nurse ✉ marilync@stol.church

This week, we'll discuss risk factors that can increase a person's chance of developing dementia, how a diagnosis is made, and treatment options. Some risk factors can be modified, while others cannot. Risk factors include:

Age: Advancing age is the strongest risk factor for developing dementia.

Alcohol use: Regularly drinking large amounts of alcohol increases the risk of dementia.

Atherosclerosis: The accumulation of fats and cholesterol in the arteries, along with inflammation, thickens the vessel wall and can lead to stroke and vascular dementia.

Diabetes: People with diabetes appear to have a higher risk of dementia. Poorly controlled diabetes is a risk factor for stroke and cardiovascular disease, which can lead to vascular dementia.

Down Syndrome: Many people with Down Syndrome develop symptoms of Alzheimer's disease by middle age.

Genetics: A dominantly inherited gene causes a very small proportion of dementia. The chance of developing a genetically linked form increases when more than one family member has the disorder.

Head injury: An impact to the head can cause traumatic brain injury and dementia.

Hypertension: High blood pressure has been linked to cognitive decline, stroke, and other types of dementia. It damages the arteries and brain blood vessels, causing arteriosclerosis.

Obesity: Being overweight increases the risk for health problems like diabetes and heart disease, which increase the risk of dementia.

Parkinson's disease: The degeneration and death of nerve cells in people with Parkinson's can cause dementia and significant memory loss.

Smoking: Smoking increases the risk of cardiovascular diseases that slow or stop blood from getting to the brain.

Stroke: A major stroke, or a series of smaller strokes, increases the risk of developing vascular dementia. Additional strokes further increase the risk.

To diagnose dementia, a doctor may perform a series of tests and assessments. Sometimes, the doctor is unable to confirm what type of dementia the person has, and people may have more than one type. Diagnosing dementia involves:

- Recording the person's symptoms, vital signs, and current medications
- Obtaining the person's medical and family history
- Conducting physical exams and laboratory tests to rule out conditions that may contribute to dementia
- Conducting a neurological evaluation to assess balance, sensory response, reflexes, and electrical activity in the brain
- Obtaining brain scans to identify structural abnormalities, amyloid plaques, and patterns of altered brain activity common in dementia
- Performing cognitive and neuropsychological tests to assess memory, language, math, problem-solving, and other mental abilities
- Performing genetic testing to identify risks for dementia from gene mutations

- Conducting a psychiatric evaluation to determine if depression or another mental health condition is causing or contributing to symptoms

Currently, there are no treatments to stop dementia, although there are new medications that may slow the progression of early Alzheimer's disease. If the person has other diseases, such as diabetes, high blood pressure, or depression, there are medications to treat them. Medications can treat behavioral symptoms, while others target dementia-specific symptoms. Modalities like physical therapy can also help. The physician will develop a plan of care that includes specialists, such as nurses, speech therapists, and physical therapists, who can help guide patient care.

St. Isidore and St. Therese of Lisieux are partnering to offer a series of events designed to support those living with and treating dementia:

Saturday, October 17 (8 AM to 1:30 PM at St. Isidore, 8 AM Check-in, 9 AM Start): Harmony and Hope seminar, featuring Dr. Benjamin Mast, a clinical psychologist and board-certified geropsychologist

Thursday, November 5 (12 to 1 PM at St. Therese of Lisieux): educational discussion on dementia, presented by Waltonwood Senior Living and Robert Louis-Ferdinand, NP

After the holidays (TBD at St. Therese of Lisieux): Caring for the Caretaker event, including strategies for caretakers coping with challenges and feelings of grief, guilt, and stress

► One Month to Go! Help Us Pack 125,000 Meals!

Mike Aprile, Evangelical Charity Coordinator — St. Isidore

We're just one month away from our Kids Coalition Against Hunger (KCAH) meal-packing event on **Saturday, November 7, at St. Isidore!**

Our goal is ambitious: Pack 125,000 meals and raise \$52,500 to cover the cost. We can't do it without you.

Volunteer

We need hundreds of volunteers

of all ages to pack meals. It's fast-paced, fun, and a wonderful opportunity for families, friends, and parishioners from across our Family of Parishes to experience the joy of serving together. We also need help with setup on **Friday, November 6**, and clean-up after the event.

Donate

Each meal costs just \$0.42. Every

donation brings us closer to 125,000 meals for people in need locally and around the world.

Don't wait—volunteer, donate, or do both using the QR Code.

Together, we can turn one morning of service into 125,000 acts of love.

► Saints & Pumpkins

Stephanie Evans, Little Way Family Ministry Coordinator

Decorate a Pumpkin. Celebrate a Saint. Share Your Faith!

This fall, the Little Way Family Ministry, the Discipleship Formation department, and the Evangelization Committee invite children, families, and parishioners of all ages to decorate a pumpkin inspired by the life of a Catholic saint. No carving required!

Choose a saint who inspires you and bring their story to life through your pumpkin! When you're done decorating your pumpkin (at home), bring it to St. Therese on October 24 or 25 and share your faith with our parish community. Leading up to All Saints Day, we will display all pumpkins on the parish grounds, creating a beautiful celebration of the saints and the faith stories that inspire our families.

When you drop off your pumpkin, make sure to sign in at the registration table with your name and the saint you chose. This allows us to recognize and celebrate everyone who participates!

(Children enrolled in Discipleship Formation classes: Be sure to participate for an opportunity to earn Rose Rewards!)

► It's Halloween Candy Time!

John Karski, Director of Evangelical Charity johnk@stol.church

It's that time of year again! Halloween is just around the corner, and Sacred Heart Major Seminary needs your help. Each year, the seminary community opens its doors and heart to over 2000 children from the surrounding Detroit neighborhood, giving them a fun, safe place to play

games and trick-or-treat. However, they need your help to make this year a success! They are asking for donations of Halloween candy to pass out to the kids. If you are willing to participate in this important ministry, please drop off your donations in the Parish Office.

► K of C Tootsie Roll Drive

👤 Paul Bieber, K of C Representative

Who doesn't like Tootsie Rolls? From October 9 to 11 (Friday to Sunday), at several locations throughout the community and at church after all weekend Masses, you will find Knights in their vests handing out Tootsie Rolls to raise money for organizations that help people with physical and intellectual disabilities.

When you see one of our Knights, please say "Hello," be generous, and enjoy your Tootsie Roll. A tip for grandparents: Your donation will support this worthy cause, and your Tootsie Roll will score points with your grandchildren. Thank you for your support.
